Section 685.10 Statewide Season for White-Tailed Deer Hunting

- a) Season: One-half hour before sunrise on Saturday of the State designated Columbus Day Holiday weekend to ½ hour after sunset on the Monday immediately following that weekend. Shooting hours are ½ hour before sunrise to ½ hour after sunset. A hunter with an unfilled, valid Youth Deer Permit may also hunt during the first firearm deer season (the 3-day weekend (Friday, Saturday and Sunday) immediately before Thanksgiving), subject to the following restrictions:
- 1) Unfilled Youth Deer Permits are not valid for hunting during the first firearm deer season on public land sites that limit the number of hunters during the firearm season via the use of a site permit quota (i.e., only public sites that allow unrestricted access may be hunted);
 - 2) the hunter must use only firearms allowed in Section 685.30; and
 - 3) hunters must abide by Section 650.60 when hunting on Department-owned or -managed sites.
- b) Open Counties: All counties except Cook, DuPage and Lake Counties, and that portion of Kane County east of State Route 47.
- c) Hunting outside the set season dates is a Class B misdemeanor (see 520 ILCS 5/2.24); and hunting prior to ½ hour before sunrise or after ½ hour after sunset is a Class A misdemeanor with a minimum \$500 fine and a maximum \$5,000 fine, in addition to other statutory penalties (see 520 ILCS 5/2.33(y)).

Section 685.20 Statewide Deer Permit Requirements

- a) All eligible youth hunters must have a current, valid "Youth Deer Hunt Permit" (\$10). The Youth Deer Season is only open to hunters who have not reached their 18th birthday prior to the opening date of the season. Hunters must have an apprentice or youth hunting license, or they must have completed a State-approved Hunter Education course and have a hunting license, unless exempt. Pursuant to the statewide youth-only deer hunting season Pilot Program created in Section 2.26 of the Wildlife Code [520 ILCS 5], the following will apply to all Youth Deer Hunt Permits beginning with the 2020 Youth Deer Season:
- 1) Youth Deer Hunt Permits will authorize the holder to hunt in any of the open counties of the State, on property where permission to hunt has been obtained from the property owner.
 - 2) On or after January 1, 2023, the Department may analyze the effects of the

Pilot Program on the Youth Deer Season, including its effects on hunter participation, hunter satisfaction, hunter distribution and deer harvest.

- 3) If the Department finds, after thorough analysis, negative impacts to wildlife management associated with the Pilot Program, the Department may amend this Part to prohibit the statewide use of Youth Deer Hunt Permits and resume issuance of county-specific permits.
- b) Youth Deer Hunt Permits will be available for sale over-the counter (OTC) from agents beginning the first Tuesday in August through the last day of the Youth Deer Season. Hunters may purchase only a single permit (either-sex).
- c) For the applicant to be eligible to receive a Youth Deer Season Permit (\$10), applicant must not have had his or her deer hunting privileges suspended or revoked in this State pursuant to Section 3.36 of the Wildlife Code [520 ILCS 5/3.36].
- d) Recipients of the Youth Deer Season Hunt Permit shall record their signature on the permit and must carry it on their person while hunting.
- e) Permits are not transferable. For the purpose of this Section, "transfer" means the modification or changing, by the Department or any other person, individual or group, of the name or the location on an issued permit to another person or location.
- f) A \$3 service fee shall be charged for replacement permits issued by the Department, except when permits are lost in the mail there will be no charge. Monies derived from this source will be deposited in the Wildlife and Fish Fund.
- g) Permits issued for the Youth Deer Hunt season will not be counted in the number of gun permits a person can receive for the Firearm and Muzzleloader-Only Deer Season.
- h) Hunting without a valid permit is a Class B misdemeanor (see 520 ILCS 5/2.24).
- i) Refunds and Cancellations
 - 1) A refund shall be issued by the Department for a permit that has been granted, or for an application that has been submitted, under the following circumstances:
 - A) Upon the request of the permit holder, a permit was issued due to an error of the Department, the OTC point-of-sale vendor or the applicant. The permit that was issued in error and the request for a

- refund must be delivered to the Department before the first day of the season listed on the permit. Permits shall be considered delivered to the Department if the permit is received or postmarked before the first day of the season listed on the permit; or
- B) Upon the return of an issued permit to the Department before the first day of the season listed on the issued permit. Permits shall be considered delivered to the Department if the permit is received or postmarked before the first day of the season listed on the permit. No refund shall be issued under this subsection (i)(1)(B) if the permit is returned or postmarked after the first day of the season listed on the permit.
- 2) A permit shall be cancelled if a refund is approved pursuant to subsection (i)(1)(A) or (B). Once a permit has been cancelled, the cancelled permit shall not count towards the total number of permits that an applicant may obtain for the hunting season for which that cancelled permit was issued.
- 3) Upon the request of a permit holder, a refund may be issued by the Department for a permit that has been granted under the following circumstances:
- A) A medical condition or death of the permit holder that prevented the permit holder from hunting. A death certificate or medical documentation showing that the permit holder was unable to or advised not to hunt may be required by the Department before any refund is issued. Requests must be made within 90 days after the start of the season that the permit was issued for and must accompany the return of the permit to the Department at its headquarters in Springfield, Illinois. No refunds shall be issued under this subsection if the request or permit is delivered or postmarked to the Department at its headquarters in Springfield, Illinois 90 days after the first day of the season listed on the permit; or
- B) The permit holder was unable to travel or use the permit that was issued to him or her due to a national or State issued emergency or disaster declaration that resulted in a danger to the health or safety of the permit holder had they attempted to use the issued permit. Requests must be made within 60 days after the start of the season for which the permit was issued and must accompany the return of the permit to the Department at its headquarters in Springfield, Illinois. No refund shall be issued under this subsection (i)(3)(B) if the request or permit is delivered or postmarked 60 days after the

first day of the season listed on the permit.

- C) A permit that was issued due to an error of the Department, the OTC point-of-sale vendor, or the applicant, if the permit is returned to the Department before the last day of the season for which the permit was issued.

Section 685.30 Statewide Firearm Requirements for Hunting the Youth Deer Season

- a) Legal weapons to take or attempt to take deer during Youth Deer Season are prescribed in 17 Ill. Adm. Code 650.30.
- b) Archery deer hunters in possession of a valid archery deer permit may hunt during this season provided that, in counties open to youth deer hunting, they wear the orange garments required of gun deer hunters. The otherwise lawful possession of firearms to take furbearing mammals and game mammals other than deer by persons other than youth deer hunters or their supervisors shall not be prohibited during the Youth Deer Hunting Season as set in Section 685.10.

(Source: Amended at 46 Ill. Reg. 18749, effective November 2, 2022)

Section 685.40 Statewide Deer Hunting Rules

- a) Bag limits: One deer per legally authorized permit. All either-sex permits are subject to the following restrictions: no hunter, regardless of the quantity or type of permits in his/her possession, may harvest more than 2 antlered deer during a year, including the youth, archery, muzzleloader and firearm seasons. For purposes of this Section, deer seasons are considered to be in the same year if their opening dates fall within the same 12-month period that begins on July 1.
- b) Supervision of Youth Hunters
 - 1) Each hunter participating in the Youth Deer Hunting Season while using an Apprentice Hunter License or a Youth Hunting License must be accompanied by a non-hunting, validly-licensed (Illinois hunting license) adult who is 21 years of age or older. All other hunters (using other types of hunting licenses or license-exempt) participating in the Youth Deer Hunting Season must each be accompanied by a non-hunting supervisor (parent, guardian or responsible adult). A nonresident supervisor must have a valid Illinois hunting license.
 - 2) The non-hunting supervisor must wear the solid blaze orange/pink

garments required of gun deer hunters, and must remain with the hunting youth so as to have the youth under immediate control. Youths participating in the first firearm deer season using only an unfilled Youth Deer Permit (i.e., youths without a firearm deer season permit for that county) must be accompanied by a supervisor as described in this subsection (b), but, during the firearm deer season, that supervisor may also hunt so long as he/she has the appropriate licenses and permits. Each supervisor may only accompany a single youth at any given time during the hunt. The supervising adult shall be criminally liable for the actions of the youth in the hunting party, and be subject to the criminal penalties provided by law.

- c) The temporary harvest tag must be attached and properly sealed immediately upon kill and before the deer is moved, transported or field dressed. No person shall leave any deer that has been killed without properly attaching the temporary harvest tag to the deer in the manner prescribed in Section 685.50 and on the permit.
- d) Hunters shall not have in their possession, while in the field during the Youth Deer Season, any deer permit issued to another person (permits are non-transferrable). Violation is a Class B misdemeanor (see 520 ILCS 5/2.24).
- e) Permits shall not be re-issued in cases involving deer taken that are found to be diseased or spoiled due to previous injury. Disposal of unfit deer taken shall be the responsibility of the hunter.

(Source: Amended at 43 Ill. Reg. 9559, effective August 23, 2019)

Section 685.50 Reporting Harvest of Deer

- a) Successful hunters must register their harvest by 10:00 p.m. on the same calendar day the deer was taken by calling the toll-free telephone check-in system at 1-866-ILCHECK or by accessing the on-line check-in system at www.dnr.illinois.gov. If a hunter is not able to locate a harvested deer in sufficient time to enable reporting the harvest by 10:00 p.m., the hunter must immediately report the harvest upon retrieving it. They will be provided with a confirmation number to verify that they checked in their harvest. This number must be written by the hunter on the temporary harvest tag (leg tag). If the condition of the tag precludes writing on the tag in the appropriate space (i.e., bloody, etc.), the confirmation number shall be written elsewhere on the tag, or onto a piece of paper and attached to the deer along with the temporary harvest tag. The deer must remain whole (or field dressed) until it has been checked in. In instances where deer are checked in while the hunter is still afield, the deer may not be dismembered while afield beyond quartering the animal. If quartered, all

parts of the carcass (except the entrails removed during field dressing) must be transported together and evidence of sex must remain naturally attached to one quarter. Evidence of sex is:

- 1) For a buck: head with antlers attached to carcass or attached testicle, scrotum, or penis.
 - 2) For a doe: head attached to carcass or attached udder (mammary) or vulva.
- b) The harvest tag (leg tag) and confirmation number must remain attached to the deer until it is at the legal residence of the person who legally took or possessed the deer and final processing is completed. If the head/antlers are delivered to a taxidermist for processing, the confirmation number must be recorded on the "head tag" portion of the permit and both must remain with the deer while at the taxidermist's. If the carcass is taken to a meat processor, the harvest tag (leg tag) with confirmation number must remain with the deer while it is processed and until it is at the legal residence of the person who legally took or possessed the deer. Persons delivering deer/parts of deer to a tanner for processing must supply the tanner with either their deer permit number, their confirmation number, or a written certification by the person from whom the deer was received that the specimen was legally taken or obtained.
- c) In counties where Chronic Wasting Disease surveillance is occurring during the firearm deer season (see 17 Ill. Adm. Code 650.45(a)), successful hunters using their Youth Deer Permits during the first weekend of the firearm season may, at their option, register their harvest at a designated firearm deer check station by 8:00 p.m. on the day the deer was killed. In this situation, the "head tag" portion of the permit will be retained at the check station and a permanent harvest tag will be attached to the deer upon registration. Tagging requirements for deer delivered to taxidermists, meat processors and tanners are described in 17 Ill. Adm. Code 650.45(a). Youth hunters required to report under this subsection (c), but who are unable to locate a harvested deer in sufficient time to report the harvest by 8:00 p.m., must report the harvest as described in subsection (a).
- d) Site specific reporting requirements must be followed in addition to this Section.

Section 685.60 Rejection of Application/Revocation of Deer Permits

- a) In the event that the purchaser of a Youth Deer Permit is in violation of either subsection (a)(1) or (a)(2), the permit will be revoked in addition to any other penalties. The purchaser may request a hearing on this decision pursuant to 17 Ill.

Adm. Code 2530.

- 1) Providing false and/or deceptive information on the deer permit form, which is a Class A misdemeanor (see 520 ILCS 5/2.38).
 - 2) Purchasing a Youth Deer Permit when the purchaser has a license or permit currently revoked pursuant to Section 3.36 of the Wildlife Code, which is a Class A misdemeanor (see 520 ILCS 5/3.36).
- b) Any violation of the Wildlife Code, in addition to other penalties, may result in revocation of hunting licenses and permits as per 17 Ill. Adm. Code 2530.
