TO: Director Jim Montgomery
FROM: Capt. Matthew Viverito #486
SUBJECT: Conditions on the Middle Fork Vermilion River and Vermilion River

Central Zone – Captain Viverito #486 advises that Water Resources Management has informed him that conditions which caused the closure of the Middle Fork River and Vermillion River have been mitigated.

I recommend immediately lifting the Restricted Access Area on the Middle Fork Vermilion River and the Vermilion River from the town of Potomac to the Illinois/Indiana state line.
