

COMMUNITY PRIDE

Becoming a Tree City sends a clear message that your village, town or city is an advocate for trees and the environment.

And by bringing together residents of all ages around a shared interest, trees can be a way to unite your community!

TREES MAKE OUR LIFE BETTER!

Scientifically proven to lower temperatures 7 to 9 degrees in urban areas and cleanse the air we breathe.

Absorb carbon dioxide in the atmosphere, helping to mitigate the effects of climate change.

Reduce traffic noise in urban areas by 40%.

Greenspace plays a major role in improving mental and physical health.

Reduce energy costs up to 25% by shading buildings and protecting them from winter winds.

Add more than \$550 million annually to property values across Illinois.

FREE MEMBERSHIP

There are only 4 requirements to join Tree City USA:

- 1 Form a tree board or department**
- 2 Establish a tree care ordinance**
Tree City USA provides a template you can customize for your community.
- 3 Spend \$2 per capita on tree related work**
Your community most likely already spends at least \$2 per capita annually between planting, maintenance, removal, brush pickup, equipment and insurance.
- 4 Proclaim and celebrate Arbor Day**
Activities can range from a simple proclamation to a school or community-wide event.
