

## **Top 10 Things for Early Childhood Students to Do Outdoors**

This list contains suggestions for activities that children could do outdoors. Do not be limited by this list! You will know what best suits your program. Please visit our Facebook page at <http://tinyurl.com/3tp238g> to add your input to the discussion on how children are learning outdoors.

1. Go for a walk.
2. Dig in the soil.
3. Look at the clouds.
4. Sort through rocks.
5. Explore their surroundings.
6. Initiate their play activities.
7. Use all of their senses.
8. Become aware of wildlife.
9. Watch for changes.
10. Ask questions and search for the answers.
