

## **Annual Underground Mine Maps Submittals:**

All underground permittees are to submit three (3) copies of the underground workings to the Department, as required under 62 Ill. Adm. Code 1817.121(g). The Department is requiring the submittal to include one electronic submittal and two paper copies to meet the regulation requirement.

Electronic documents shall be submitted **via the State's FTP site, <https://filet.illinois.gov/filet/pimupload.asp>**, addressed to James.Schafer@illinois.gov, in a .pdf file format, and shall be in accordance with the Department's policy on submitting electronic documents. The two paper copies shall be addressed to the Land Reclamation Division supervisor. A copy of the electronic submittal receipt shall be included as a cover with the paper copies.

All copies shall include the proper certifications and be prepared in accordance with the Department's rules and regulations.
