Report Cover

The "Cranfill Property", pictured on the cover, is a 313 acre tract purchased by the Illinois Department of Natural Resources, in partnership with Pheasants Forever, at Coffeen Lake State Fish and Wildlife Area. Located near Hillsboro, Illinois, this is the third tract purchased for a new Habitat Wheel Initiative.

The Habitat Wheel Initiative was implemented by Pheasants Forever in 2003 as a way to build wildlife habitat on government and private lands. Land obtained through this initiative, open to public hunting, becomes a hub within a community for wildlife activity.

Donald Cranfill, the previous owner, purchased this property 15 years ago and had already worked to make the property wildlife friendly by planting food plots and establishing travel lanes. Already supporting a thriving population of pheasants and bobwhite quail, little maintenance will be necessary before opening the property for public use.

This purchase was made in partnership with Pheasants Forever with funding provided through five local chapters, a State Wildlife Incentive Grant with matching funds from the Illinois Department of Natural Resources Habitat Stamp Fund, and a donation from Pheasants Forever with assistance through the Illinois Clean Energy Community Foundation.

Equal opportunity to participate in programs of the Illinois Department of Natural Resources (IDNR) and those funded by the U.S. Fish and Wildlife Service and other agencies is available to all individuals regardless of race, sex, national origin, disability, age, religion or other non-merit factors. If you believe you have been discriminated against, contact the funding source's civil rights office and/or the Equal Employment Opportunity Officer, IDNR, One Natural Resources Way, Springfield, IL 62702-1271; 217/785-0067; TTY 217-782-9175. This information may be provided in an alternative format if required. Contact the IDNR Clearinghouse at 217/782-7498 for assistance.
