On the Cover

Pictured on the cover is the former Burning Star 5 Mine in Jackson County. Acquisition of this property represents one of the single largest land purchases IDNR has made in Southern Illinois. With the acquisition of 4,508 acres from CONSOL Mining Company in December, 2014 IDNR realized a long-range goal to acquire this property to enhance the public land base, to preserve this diverse ecosystem and to expand public recreation. IDNR staff were actively involved with guiding reclamation plans in the early 1990s and the former owner, CONSOL Mining was recognized nationally for the creative mosaic of wetlands, forest, grassland and deep water habitat found on the site.

Burning Star consists of a mix of undisturbed, mostly forested land, extensive shrub and grasslands and reclaimed cropland in addition to wetlands and deep water lakes. By virtue of its vast size, strategic location and natural features, Burning Star has tremendous potential as a major new IDNR facility. It presents an excellent opportunity to address both critical habitat and provide enhanced outdoor recreation for Illinois citizens and afford visitors an opportunity to experience and enjoy it through appropriate land and water based recreation.

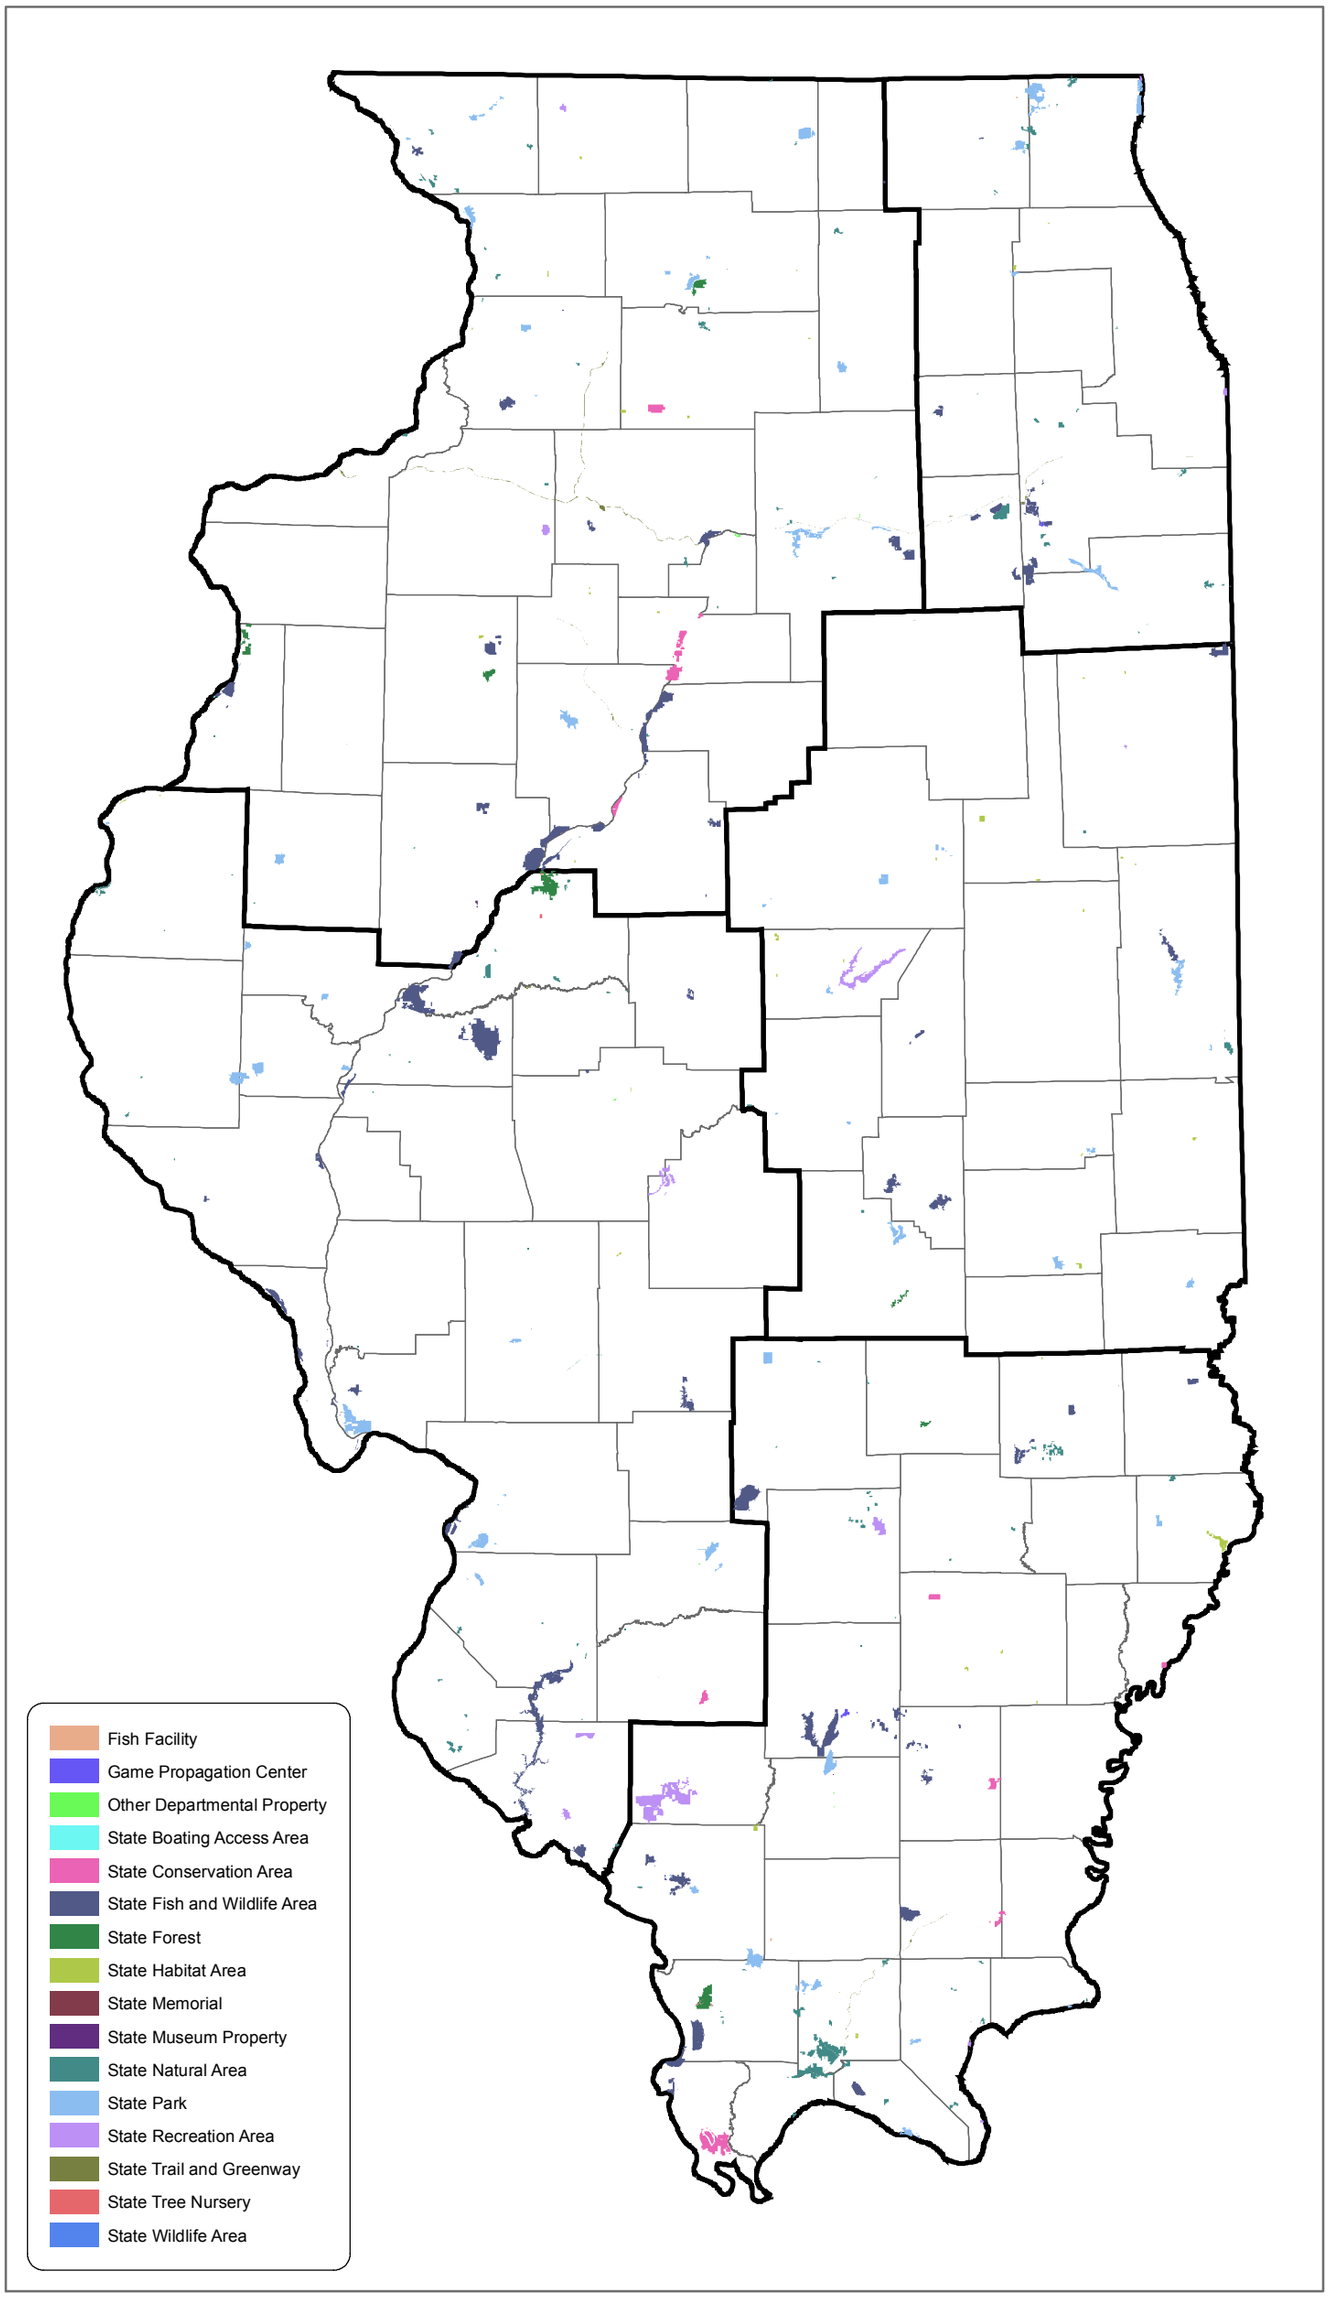

The property has been an essential component in the restoration of the tundra swan population in Illinois and serves as the primary wintering ground for this species in the Mississippi Flyway. Large concentrations of migratory waterfowl utilize wetlands, shallow and deep water lakes as a result of habitats created by innovative reclamation of this former strip mine. The Little Muddy River traverses the entire complex which also provides habitats to reptiles and fish. This complex also supports endangered and listed species such as ospreys, northern harriers, grassland birds, rice rats, barn owls, river otters, bald eagles, bobcats, loggerhead shrike, and a great blue heron rookery. It has been designated as an Important Bird Area by the Audubon Society.

Equal opportunity to participate in programs of the Illniois Department of Natural Resources (IDNR) and those funded by the U.S. Fish and Wildlife Service and other agencies is available to all individuals regardless of race, sex, national origin, disability, age, religion or other non-merit factors. If you believe you have been discriminated against, contact the funding sources's civil rights office and/or the Equal Employment Opportunity Officer, IDNR, One Natural Resources Way, Springfield, IL 62702-1271; 217-785-0067; TTY 217-782-9175. This information may be provided in an alternative format if required. Contact the IDNR Clearinghouse at 217-782-7498 for assistance.
