State of Illinois
Department of Natural Resources

FY23 Land and Water Report

On The Cover

Chain O' Lakes State Park is located in Lake County, Illinois.

IDNR purchased two parcels from the Guidry Family in April 2023.

One parcel is 8.92-acres and the second is 86.59-acres for a total acquisition of 95.51 acres.

The Guidry family initially wrote INDR in April 2000, to inquire if the department would be interested in purchasing. At that time, funding was an issue, and the parcel did not fall into a high priority purchase compared to other parcels.

In January 2022, the family again contacted the department inquiring about potential acquisition. Regional review was more highly favorable. Since the initial review, the Fox Waterway Agency constructed a dredge spoil site on IDNR property adjacent to the north of Guidry's parcel. The site now has consistent records of the State endangered Blanding's Turtles being encountered. Most importantly, gravid females are using the containment berms to lay eggs and nest. Keeping it as open space and buffer to remaining wetland habitat that support Blanding's turtles was an important consideration to the purchase. Acquisition protects the approximately quarter mile of Grass Lake Shoreline and wetlands. Acquisition provides significant wetland habitat and serve as an additional buffer to Chain O' Lakes SP, stopping further attempts of development.

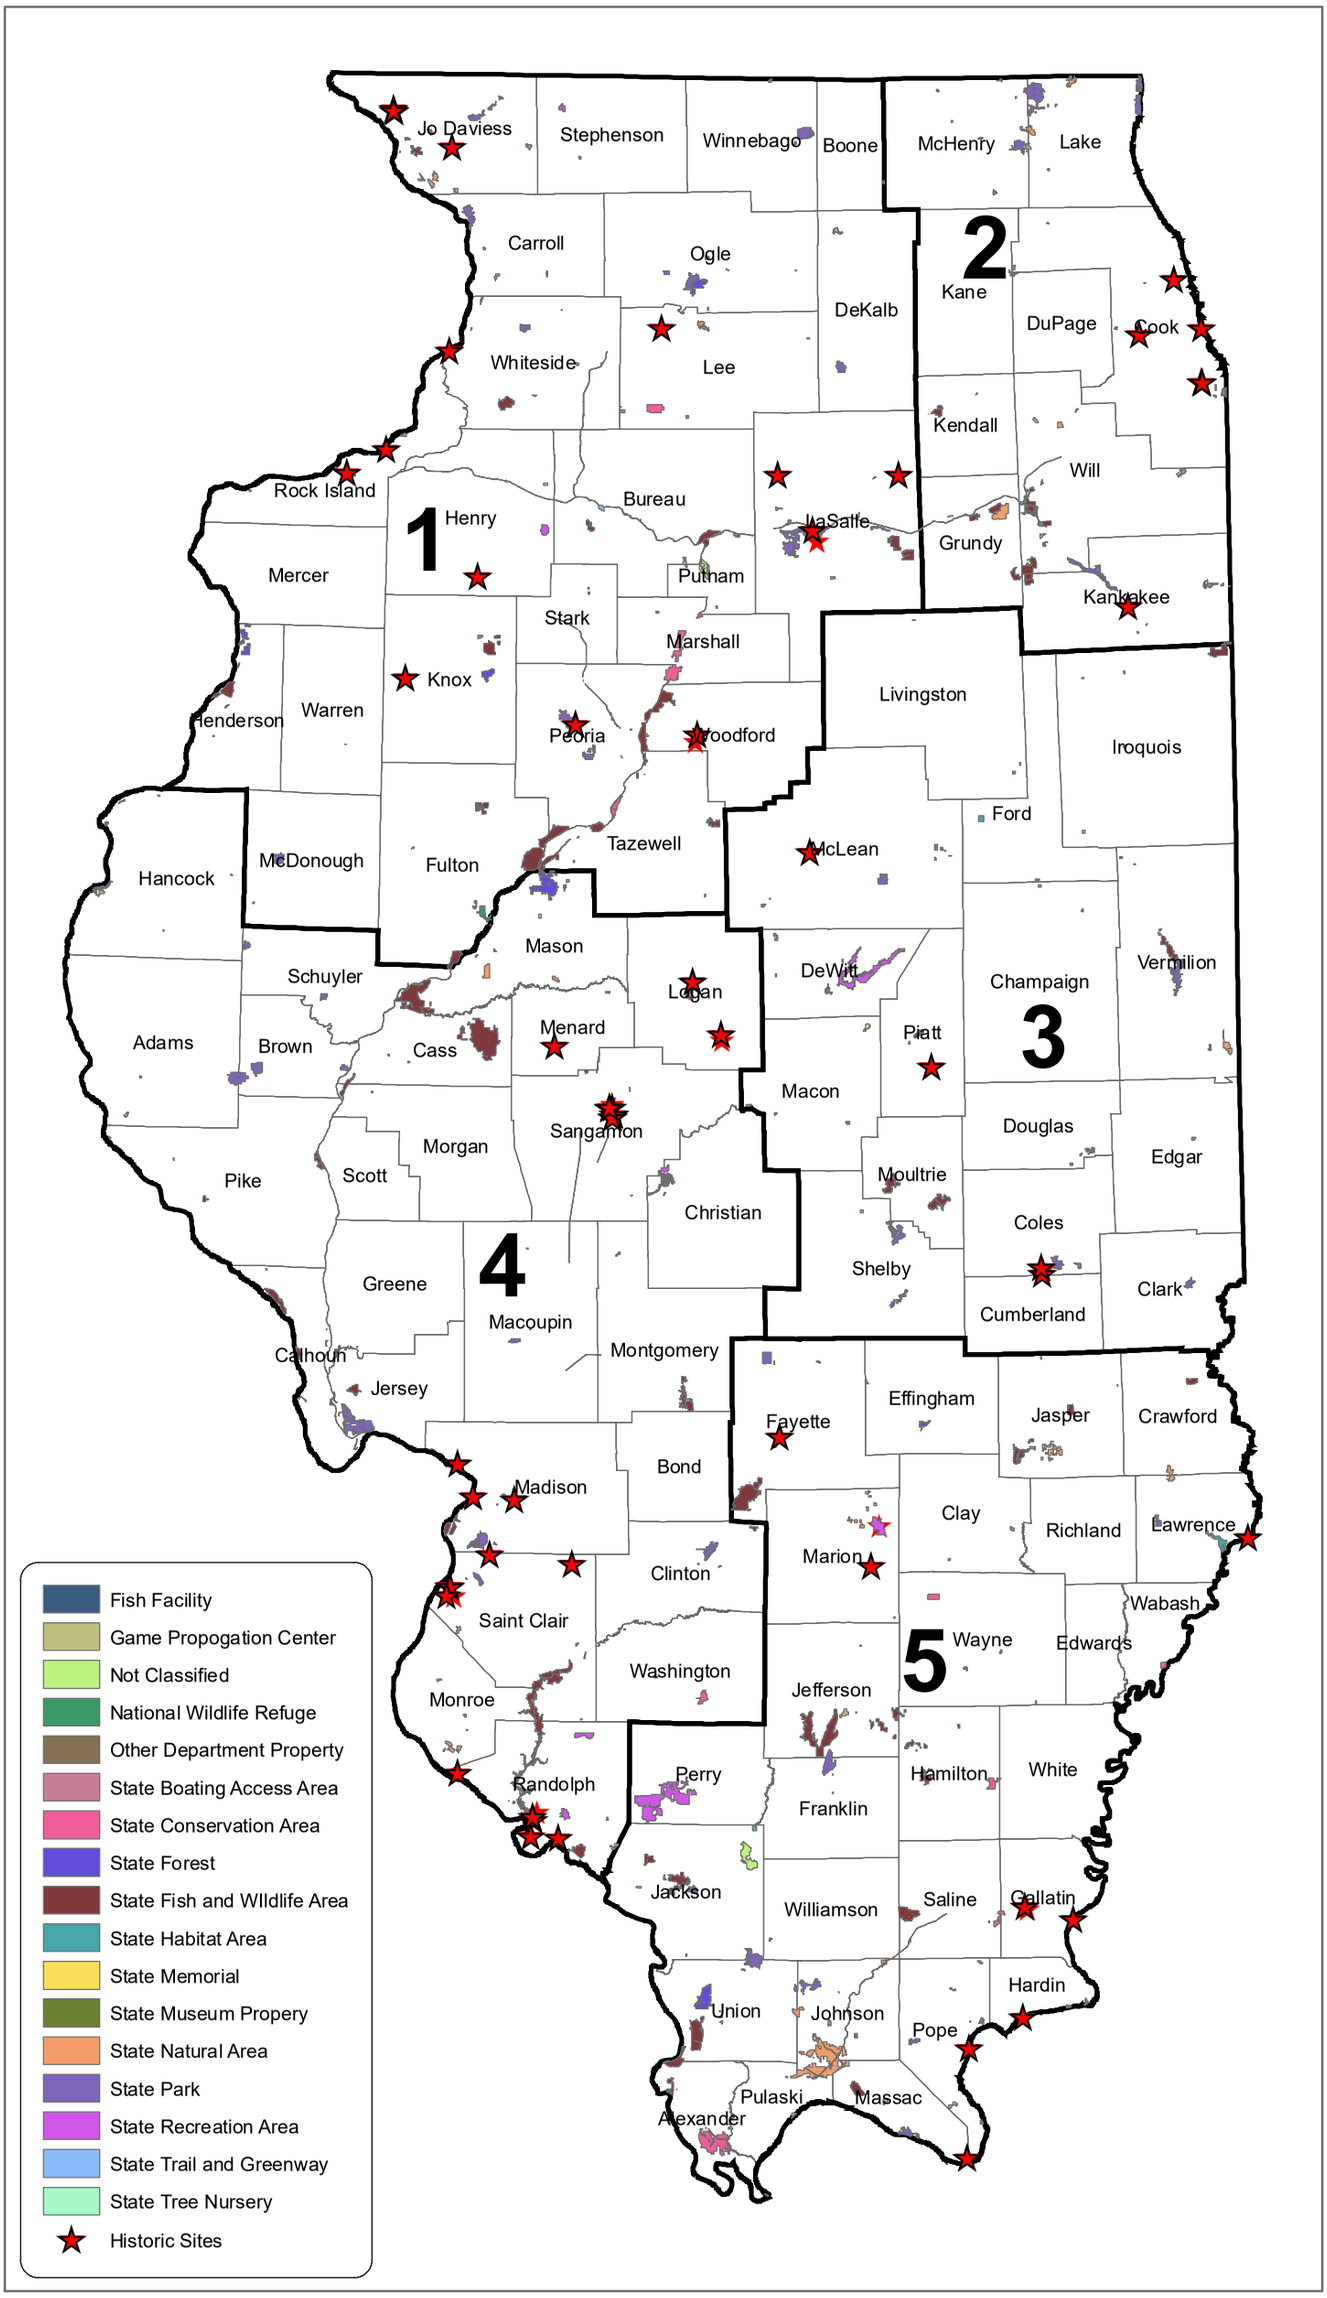

Regional and District staff highly recommended acquisition.

Equal opportunity to participate in programs of the Illinois Department of Natural Resouces (IDNR and those funded by the U.S. Fish and Wildlife Service and other agencies is available to all individuals regardless of race, sex, national origin, disability, age, religion or other non-merit factors. If you believe you have been discriminated against, contact the funding sources's civil rights office and/or the Equal Employment Opportunity Officer, IDNR, One Natural Resources Way, Springfield, IL 62702-1271; 217-785-0067; TTW 217-782-9175. This information may be provided in an alternative format if required. Contact the IDNR Clearinghouse at 217-782-7498 for assistance.
