

Weldon Springs State Park 2025

All programs are at the schoolhouse unless specified and **free** to all

June 28- Birding with Master Naturalist, RoxAnne Snelson. We will meet at Veterans Point at **9am**. (Binoculars will be available if you don't have them.)

July 5- Happy Birthday American Family Day. Join us for games, crafts and summer treats. 10am-12pm.(Bubble Pit will be available)

July 12- Fabulous Fossils: A Touch and Learn Program. Avid collector, Calvin Lunny will be here at 10am to show us some of his fossil collection. Attendees will have the opportunity to examine authentic fossil specimens up close, learning fascinating details about their origins and the eras they represent.

July 19- Step Into Tomorrow: Join Our Time Capsule Program from 10:30am-12pm. Bring your photos, drawings and written memories of Weldon Springs to add to our time capsule. We will have refreshments and music to enjoy.

July 26- Hummingbirds Program with the U of I Extension Master Gardeners. Program starts at 10am. Come learn more about these amazing little birds.

August calendar will come out mid-July.

Be watching our Facebook page for more programs added throughout the summer.

Do you have a group you want to come to Weldon Springs? We can put together a field trip for you. Email us.
