А	Minor	Shooter swung on victim	Carroll	1/20	Sat	12:00 PM	М	41	Yes	No	Shotgun	Pheasant	The shooter and victim were part of a pheasant hunting party. The shooter lagged behind the group and when a pheasant flew in front of him, he shot at it, striking the victim with #4 shot. Victim suffered superficial wounds to the face, stomach and elbow.
А	Minor	Victim out of sight of shooter	Scott	4/27	Fri	6:30 AM	Unk	Unk	Unk	Unk	Shotgun		Victim was calling and moving trying to get a response from a turkey. Victim heard a shot, so he left the area and did not realize he had been hit until he returned home. Victim was hit in scalp and neck area with 3 pellets.
А	Minor	Shooter unaware of line of fire	Putnam	12/20	Thur	PM	М	48	Yes	Yes	Rifle	Coyote	Two hunters were hunting after sunset using thermal imaging scopes. Hunter 1 was setting 5 feet behind and to the side of the Hunter 2. Hunter 1 failed to see a metal fence post in front of them when he fired. The shot hit the post sending shrapnel back striking Hunter 2 in two or three locations.
А	Major	Poor firearm handling	LaSalle	12/29	Sat	9:00 AM	М	12	Yes	Yes	Shotgun		When hunter was exiting his stand he handed his shotgun down to the juvenile hunter who was on the ground. When the 12 year took the gun he hit the safety, taking it out of Safety Mode. He then lost his grip and had to re-adjust, hitting the trigger, the gun fired. Victim was hit in the arm above the elbow and exited out his shoulder.

В	Major	Fall	Perry	10/23	Tues	6:15 AM	М	50	Yes	No	Archery	Deer	The hunter was climbing tree by using the limbs. Once he was at the location he wanted to hunt from, he attempted to attach a sling seat system to the tree. During this process he fell 15-18 feet and broke his femur bone, injured hip socket, tore rotator cuff and cracked vertebrae. Fall was caused by a combination of factors; method of ascending the tree and improper use of the sling seat system.
В	Major	Fall	Fulton	10/31	Wed	6:30 AM	М	44	Yes	Yes	Bow		The hunter was standing on treestand platform when he heard a pop and fell to the ground, landing on his feet. Hunter sustained a compound fracture to the leg and ankle. Hunter was not using a Fall Arrest System.
В	Major	Missed step / fall	Carroll	11/5	Mon	6:00 AM	М	56	Yes	Unk	Bow	Deer	The hunter was descending his climbing device to retrieve an item he had dropped when he missed a step, panicked and grabbed the harness safety line. He fell 8 feet landing on his heels, breaking his L2 vertebrae.
В	Major	Fall	Jackson	11/6	Tues	11:00 AM	М	50	Yes	Yes	Bow	Deer	While climbing out of treestand, the strap holding the climbing stick broke. Hunter fell 20-25 feet, sustaining a fractured L1 vertebrae, bruised abdomen and tailbone. No Fall Arrest System was being used.
В	Major	Tripped	Carroll	11/10	Sun	6:00 AM	F	49	Yes	No	Crossbow	Deer	The hunter was setting her string when she lost balance and fell backwards over a log, landing on and breaking her wrist. Radial bone was fractured into 4 pieces.
В	Major	Fall	Piatt	11/12	Tues	7:45 AM	М	64	Yes	Unk	Bow	Deer	The hunter was using a climbing style treestand. He was preparing to climb down the tree so he removed his safety harness - fall arrest system, and began to sit on the climbing bar on the top portion of the climber. The top portion gave way causing him to fall backwards from the tree. His feet were tucked into the climbing position which kept him from falling to the ground. Both ankles were broken, one requiring surgery. Fall arrest system was not used properly and failure to check stand.
В	Major	Fall	Fayette	11/16	Fri	7:30 AM	М	27	Yes	Yes	Shotgun	Deer	The hunter was sitting on his treestand when the top strap holding the stand broke, causing the treestand to collapse. He suffered a broken ankle and fractured vertebrae. Generic rachet strap was being used that was not designed to hold a treestand. No Fall Arrest System was used.
В	Major	Fall	Union	11/16	Fri	5:20 PM	М	48	Yes	Unk	Shotgun	Deer	The hunter was exiting his treestand when the lower platform cables of the stand broke. He fell 20-25 feet, breaking his leg, tail bone, and a compound fracture to ankle. No Fall Arrest System was used.
В	Major	Fall	Fulton	11/18	Sun	2:00 PM	М	64	Yes	Yes	Shotgun	Deer	The hunter stood up to exit his ladder stand and leaned against the shooting rail which gave way. He fell 12-15 feet sustaining minor head injuries and a fractured rib. No Fall Arrest System was used.
