## **PUBLIC NOTICE**

### **BOAT DOCK SYSTEM RECONFIGURATION ON THE FOX RIVER IN THE CITY OF MCHENRY BY VICKIE'S PLACE**

Vickie's Place, 1211 N. River Road, McHenry, Illinois 60051 has applied for a permit from the IDNR, Office of Water Resources for the reconfiguration of a boat dock system at the restaurant on the Fox River in the City of McHenry. The property is located just downstream of the Pearl Street bridge, on the east side of the Fox River. This public notice is being issued pursuant to State rules for the regulation of public waters.

The boat dock is comprised of a 68 foot long main dock that is perpendicular to shore, with a parallel 152 foot long dock to create 28 boat slips. The total dock system extends 100 feet into the River. Ten personal watercraft ports (for wave runners) will also be constructed along the shoreline.

The project site is located in the Southeast Quarter of Section 26, Township 45 North, Range 8 East of the Third Principal Meridian in McHenry County. A diagram of the boat dock system is on the back of this public notice.

Plans for the work may be seen by appointment at the Northeastern Illinois Regulatory Programs Section office, 2050 West Stearns Road, Bartlett, Illinois 60103. Inquiries and requests to review the plans may be directed to Heather McGowan of the Bartlett Office at 847/608-3116. An expanded version of the notice can be found on our website at [www.dnr.illinois.gov/waterresources](http://www.dnr.illinois.gov/waterresources).

Review of this project will be limited to the following issues: 1) Any obstruction to, or interference with the navigability of the Fox River; 2) Any encroachment on the Fox River; and 3) Any impairment of the rights, interests or uses of the public on the Fox River or in the natural resources thereof.

**You are invited to send written comments regarding the proposed work to the Bartlett Office by April 20, 2026.**
