PUBLIC NOTICE

BOAT DOCK AND ROOF STRUCTURE ON THE FOX RIVER IN THE VILLAGE OF CARY BY BRIAN KALIN

Brian Kalin, 2905 Grove Lane, Cary, Illinois 60013 has applied for an after-the-fact permit from the IDNR, Office of Water Resources for the construction of a boat dock and roof structure at his residence on the Fox River in the Village of Cary. The property is located approximately 8500 feet downstream of the Northwest Highway bridge, on the north side of the Fox River. This public notice is being issued pursuant to State rules for the regulation of public waters.

The boat dock is “h” shaped. The main dock is 6 feet wide and 60 feet long. The parallel dock is 5 feet wide and 34 feet long. The perpendicular dock that connects them is 8 feet wide and 12 feet long. The pitched roof structure will cover the opening in the middle. The roof structure is approximately 12 feet wide and 30 feet long.

The project site is located in the Northwest Quarter of Section 24, Township 43 North, Range 8 East of the Third Principal Meridian in McHenry County. A project location map is on the back of this public notice.

Plans for the work may be seen by appointment at the Northeastern Illinois Regulatory Programs Section office, 2050 West Stearns Road, Bartlett, Illinois 60103. Inquiries and requests to review the plans may be directed to Heather McGowan of the Bartlett Office at 847/608-3116. An expanded version of the notice can be found on our website at www.dnr.illinois.gov/waterresources.

Review of this project will be limited to the following issues: 1) Any obstruction to, or interference with the navigability of the Fox River; 2) Any encroachment on the Fox River; and 3) Any impairment of the rights, interests or uses of the public on the Fox River or in the natural resources thereof.

You are invited to send written comments regarding the proposed work to the Bartlett Office by November 30, 2026.
