PUBLIC NOTICE

**PROPOSED INSTALLATION OF A FLOATING DOCK AT MARQUETTE PARK
IN THE CITY OF SAVANNA ON THE MISSISSIPPI RIVER IN CARROLL
COUNTY**

Notice is hereby given to all interested parties that the Illinois Department of Natural Resources, Office of Water Resources (IDNR/OWR) has received an application from the City of Savanna and the Savanna Park District to install a new floating dock located at Marquette Park across the railroad tracks from the end of Webster Street on the Mississippi River in the Southwest $\frac{1}{4}$ of section 4, township 24 North, range 3 East of the 4th Principal Meridian in Carroll County. A location map is provided on the second page of this notice.

The agent indicates that the floating dock will be made up of five (5) 8ft by 20ft segments connected end to end to produce a 100ft long dock oriented parallel to the bank. Access to the dock will be facilitated by a by a 30ft gangway and a 4ft by 20ft landing attached to the primary dock. The dock will be anchored to the bank of the river by two (2) metal stiff arms at the North and South ends of the dock and a cross cable off the North end of the dock.

Inquiries may be directed to Kristian Peterson at 217/558-4532 or Kristian.peterson@illinois.gov. All interested parties are invited to submit written statements regarding the proposed work to the Illinois Department of Natural Resources, Office of Water Resources, One Natural Resources Way, Springfield, Illinois 62702 by **August 25, 2026**.
