PUBLIC NOTICE

**PROPOSED SEAWALL AND BOAT DOCK CONSTRUCTION AT RM494 ON
THE MISSISSIPPI RIVER IN ROCK ISLAND COUNTY**

Notice is hereby given to all interested parties that the Illinois Department of Natural Resources, Office of Water Resources (IDNR/OWR) has received an application from Mark Cross, 2012 1st Avenue, Rapids City, Illinois 61278 to construct a seawall and attached boat dock at RM 494 on the Mississippi River in Rock Island County. A location map is provided on the second page of this notice.

The proposed project involves the construction of a sheet pile seawall that spans the riverfront and will tie into the existing seawalls on the adjacent properties. The seawall will not extend above the top of bank and will produce a uniform shoreline. The proposed dock will be cantilevered from the seawall and extend into the river by 24ft and will be 35ft wide.

Inquiries may be directed to Kristian Peterson at 217/558-4532. All interested parties are invited to submit written statements regarding the proposed work to the Illinois Department of Natural Resources, One Natural Resources Way, Springfield, Illinois 62702 by **March 4, 2026**.
