PUBLIC NOTICE

**BOAT DOCK ON THE ROCK RIVER DOWNSTREAM OF WHITMAN STREET
BRIDGE IN THE CITY OF ROCKFORD**

Notice is hereby given to all interested parties that the Illinois Department of Natural Resources, Office of Water Resources (IDNR/OWR) has received an application from Mark Milani, 5523 Windflower Road, Rockford Illinois 61107 to install a boat dock on the Rock River downstream of the Whitman Street Bridge in the City of Rockford in the Northeastern quarter of section 23, township 44 North, range 1 East of the 3rd Principal Meridian in Winnebago County. A location map is provided on the second page of this notice.

The submitted plans indicate that the boat dock will consist of a primary dock measuring 4ft wide extending 50ft into the Rock River with 2 docks branching from the main dock on the upstream side and 2 additional docks extending on the downstream side. The extensions will measure 3ft wide and the upstream extensions will extend 30ft from the main dock while the downstream extensions will extend 25ft from the main dock. Both sets of extensions will be attached to the end of the dock in a T-shape and have a 24ft spacing to the next extension on either side. The final dock will measure 59ft wide and will be attached to the steel river wall with stairs installed from the top of bank for access.

Inquiries may be directed to Kristian Peterson at 217/558-4532. All interested parties are invited to submit written statements regarding the proposed work to the Illinois Department of Natural Resources, One Natural Resources Way, Springfield, Illinois 62702 by October 6, 2024.
